Hawaii Residency Programs, Inc. would like to thank the Hawaii Society of Obstetricians and Gynecologists for their ongoing Generous donations to support the Obstetrics and Gynecology Residency Program’s gynecologic surgery rotation at the Hilo Medical Center in Hilo, Hawaii. The Ob-Gyn residents are grateful for this support to live and work in the Hilo community. We are happy to report that a recent Ob-Gyn graduate has chosen to practice in Hilo! We hope this continued training experience will inspire more residents to pursue job opportunities in our rural island communities and thereby improve access to healthcare for all the people of Hawaii.

The Hawaii Society of Obstetricians and Gynecologists is a non-profit formed by former residents of the Ob-Gyn Residency Program Class of 1979 (William Fong, Irwin Lee, and John Uohara). The mission of HSOG is to advance the cooperation and interaction of physicians involved in Women’s Health Care through life-long learning and to improve and expand Women’s Health Care to the entirety of the State of Hawaii.

The HSOG board includes the following members:
John K. Uohara, MD
William L.T. Fong, MD
Irwin K.M. Lee, MD
Thomas S. Kosasa, MD
James M. Di Marchi, MD
Lori Kamemoto, MD, MPH
Franklin Dao, MD
Reni Soon, MD, MPH
Kanelehua Perry, MD

Much Mahalo to the Hawaii Society of Obstetricians and Gynecologists for their support once again.
